Dear delegates, coaches and rope skipping enthusiasts!

The European Rope Skipping Organisation (ERSO) is delighted to invite you to the 2026 European Rope Skipping Championships at the Oslofjord Convention Center in Norway.

Located along the beautiful Oslofjord, just south of Oslo, the convention center offers exceptional facilities for our championships. What makes this location particularly special is that it functions as a complete sports village. Accommodation for everyone is available on-site in modern apartments, allowing teams to stay together throughout the event. The center also includes restaurants, cafés, training facilities, and even a private beach on the fjord – providing everything needed for both competition and relaxation without leaving the grounds.

We believe the Oslofjord Convention Center will create an ideal environment for Europe's top jumpers to compete while also offering teams the opportunity to experience Norway's distinctive landscaps. We are looking forward to witnessing extraordinary performances and new records being set as Europe's finest athletes come together.

ERSO
European Rope Skipping Organisation

A New Chapter for European Rope Skipping

For the first time in ERSO history, we are organising the European Championships independently, without an official host federation. Whilst the Norwegian Rope Skipping Organisation is not the official host, this event has provided them with the opportunity to establish and grow their organisation. We are grateful for their support and the dedication of Norwegian volunteers who are helping to make this championship a success.

Building on excellence

Following Hungary's 2024 work in professionalising the European Championships, we are taking the next step forward. By selecting a professional convention centre, partnering with experienced live stream and broadcast services, and developing comprehensive event branding, we aim to elevate the experience for athletes, coaches, and spectators alike.

Volunteer spirit

The ERSO event core team continues to work on a completely voluntary basis, dedicating their free time to preparing every aspect of this championship. We would like to express our sincere gratitude to everyone involved in making this event possible.

We look forward to meeting you all in Norway.

The organisation planned 4-bed apartments close to the competition area and has to be booked directly through the Oslofjord Convention Center website.

Price

The daily rate of 1,600 NOK per person includes full board accommodation with three meals throughout the day. Breakfast, lunch, and dinner are served in the Oasis restaurant at the Convention Center South.

The apartments can be booked at this rate from 9th August until 17th August (note that this includes the night from the 17th to the 18th as well).

Please note:
The accommodation is also available for supporters and parents to book. However, if bookings exceed the number of available apartment beds, priority will be given to competition participants.

Competition packages

All active participants – including athletes, coaches, judges, officials, and medical personnel – require a competition package to access the competition venues. Without the appropriate accreditation, entry to the competition areas will not be permitted. Please note that these packages are exclusively for active participants and are not available for supporters.

Choosing the right package

Packages should match your event presence. Athletes must purchase the package corresponding to their registration. For example, if you compete in any EC event, you need an EC package regardless of whether you advance to the finals. Upgrades to packages with additional days are possible, but downgrades are not permitted. This means an EC participant can upgrade to a FULL package but cannot downgrade to a JEC package.

What is included

Each competition package includes:

- access to the competition areas for the specified dates,
- entry to the spectator seating areas for the days covered by your package without requiring separate day tickets,
- attendance at the opening ceremony and closing party,
- and a welcome package with an event t-shirt.

Packages

JEC Package JEC/EC practice, JEC events & opening ceremony	August 10 - 13	153,- €
EC Package JEC/EC practice, EC qualifiers, finals & opening ceremony	August 10 - 15	217,- €
DDC Package DDC practice, DDC events & EC finals	August 14 - 15	89,- €

Registration as an athlete, coach, etc. is only available to those who have booked accommodation through the Oslofjord Convention Center.
